

# CHRIS CAMPBELL MEMORIAL CLUBHOUSE OPENING

Over the past year the Chris Campbell Memorial Field has become a centre of activity for the adults and children of Site B, Khayelitsha. The CTC Ten Foundation is constantly striving towards making the field a self-sustainable and community run entity. Each week upwards of 2000 participants are enrolled in soccer-based programs and life skills activities at the field. Recently we have built a clubhouse to supplement the existing facilities and programmes at the field. With this new addition to the Chris Campbell Memorial Facilities we hope to better serve the community of Khayelitsha as a whole.
